Twenty years ago, on 9/11, nearly 3000 people gave their lives for Freedom. Since then over 7,000 soldiers have died on foreign soil for Freedom. Their blood cries out from the grave - "FREEDOM!" Has America learned anything in twenty years?

The late William F. Buckley, Jr., journalist and commentator, wrote in his 1951 book, "GOD and Man at Yale", believing "The duel between Christianity and atheism is the most important in the world". What Buckley said was true then, and it is still true today. He challenged the unbelief that was rearing its ugly head at Yale.

A former KGB spy and defector from atheistic communism published an autobiography, which is the dark story of his former atheism, espionage, treason, and terror. The author was the late Whittaker Chambers; the title of his book "Witness" was said to be "one of the dozen or so indispensable books of the [20th] century." Those are great tributes, but not any greater than that of Pres. Ronald Reagan's biographer who says Whittaker Chambers was the "most influential" of all the writers who impacted Reagan. Chambers wrote in his book, "There has never been a society or a nation without GOD. But history is cluttered with the wreckage of nations that became indifferent to GOD and died. Economics is not the central problem in this century...Faith is the central problem of this age...Faith in GOD!"

Dr. Thomas B. Warren, a Christian apologist, was sounding a warning that America was plunging into moral and spiritual chaos due to the loss of faith in GOD. He argued that the growth of skepticism not only lessens the likelihood of the church doing its work to take the Gospel to the world, but it endangers the souls of those who already have obeyed the gospel, especially young people. He emphasized how the Bible provides answers to every basic problem which pertains to the spiritual well-being of all of humanity. Therefore, we must be urgent about providing material that proves GOD exists and that the Bible is the inspired and inerrant Word of GOD. Some listened and heeded the warnings...many did not. And now, like a runaway freight train, the chaotic and confused state of America, due to the loss of faith in GOD, has become more obvious. A few days prior to the writing of this article, reports from the 2021 American Survey, on philosophy of life held by American adults, conducted by George Barna of the Cultural Research Center in Arizona, included the following: *Millennials Seek a Nation Without God, Bible, and Churches* - 43% of Millennials don't know, don't care, and don't Believe GOD exists!

Cal Thomas hits the nail on the head in his book *America's Expiration Date* when he says, "Clearly, politics can't save us. Little if anything is being accomplished to reverse the decadent trends of our times. But is that the role of government, or is moral improvement the primary role of Believers and ministers preaching uncompromising biblical messages? America's central problems are not economic and political; they are moral and spiritual". Revival must begin with the church: "I write so that you will know how one ought to conduct himself in the household of GOD, which is the church of the living GOD, the pillar and support of the truth." (I Timothy 3:15)

Stay Strong In the LORD!

Keep America Great!

There are still repercussions from that fateful day 20 years ago...so much has happened but people are continuing to give their lives, especially our law enforcement. Thank you for your prayers for those who work to keep America safe and protect its citizens. GOD bless America!

Remember 3000 people died on 9/11 and NOT 1 shot was fired. It's NOT a gun issue it's a HATE issue #truth!!!

LIBERALS CRY OUT, "DON'T BLAME ALL MUSLIMS FOR THE ACTIONS OF A FEW!"

BUT BLAME ALL POLICEMAN FOR THE ACTIONS OF A FEW.

"Let Justice roll down like water, and Righteousness like an ever-flowing stream!" Amos 5:24

Learning From Derin's Wisdom...

So much of what you hear on Call To Freedom every day is what I learned from spending almost 20 years learning from this anointed teacher. I want you to know Derin in a deeper way, because he communicated with GOD on a level most people only dream about, and you can hear this dynamic wisdom every Friday when you hear encore shows of "Derin Live In Denver". Though he was educated in a worldly system, he chucked it all for a life of communion with his Creator. Derin wanted people to experience the deep, inner peace that he experienced with his Father, to follow after the things of GOD in pursuing the blessings. Derin taught that the Believer should never make excuses for their tenacity in making the Kingdom of GOD work in this tactile world. He didn't believe in coping techniques that worldly psychologists teach, and was always expecting results from his time with the LORD. The following is an excerpt from one of his yellow pads that he frequently carried with him. It explains how the mind can take you for a ride that leads you to a dead end.

"In the Christian walk, reason must be abandoned, and you must allow your spirit, the inner man of the heart, to gain ascendancy in your life. I Corinthians 3:19-20 tells you to forget what the world taught you and listen with your heart and your ears to what GOD is teaching you in the Spirit: **'For the wisdom of this world is foolishness before GOD. For it is written, 'He is the One Who catches the wise in their craftiness'; and again, 'The LORD knows the reasonings of the wise, that they are useless!'** The earthly wisdom and knowledge that you were educated in have deluded your thinking: **'Your wisdom and your knowledge have deluded you....'** (Isaiah 47:10), And now you are listening to a New Voice - the Voice of the Spirit! One of my favorite Scriptures tells me that there are great rewards for those who listen in the spirit - Romans 8:6-7, **'The mind set on the flesh is death, but the mind set on the Spirit is life and peace; because the mind set on the flesh is hostile toward GOD, for it does not subject itself to the law of GOD, for it is not even able to do so!'** What I had searched for in worldly education had deluded me, **'REASON - you have been my guide for so long; today it seems you have abandoned me. But now the voice of the heart rules in your place, refreshing your leaving has been; I hardly miss you. I thought you were my friend, my confidant - but, oh, you cheated me at so many crossroads, you tyrant you! But now the heart rules - dancing, singing melodies so new, so peaceful, so joyful, and it softly says, 'Love, you are here at last!''**
P.S. Remember Derin with a smile... and he would say to you if he were here... "I love you, Guys!"

JEWISH NEW YEAR- Rosh Hashannah - September 6th - 19th

"Pray for the peace of Jerusalem; may all who love this city prosper!" (Ps. 122:6 LT)

Samaritan's Purse - Alaska...

I am writing from Alaska, as Samaritan's Purse marks a milestone in our ministry to wounded military veterans and their spouses. This year marks the 10th season of "Operation Heal Our Patriots" as well as the 20th anniversary of the 9/11 attacks that drew our nation into the "war on terror."

On Memorial Day weekend, we brought 10 couples to Samaritan Lodge Alaska for a week of Bible-based activities focused on strengthening their marriages and helping them grow closer to GOD. Each week throughout the summer we host ten more couples.

Iraq veteran Edgar Aguilar and his wife, Edith, described their marriage as rocky after 16 years of marriage. Edgar was suffering from back spasms and hip pain after serving for eight years in the military. Edgar said, "The connection that I had with the chaplain was my being comfortable enough to let everything out...all the frustration and anger that had built up." And Edith added, "This week has been life-changing; it's so peaceful and everyone makes you feel at ease, at home, loved, and wanted. This place is amazing! What you're doing here - I can't put into words." At the end of the week, Edgar and Edith were baptized together in the icy waters of Lake Clark, with help when they got home by finding a church that they can attend.

Twenty years after 9/11, the war on terror is not over, and our nation needs to remain vigilant. Please keep our military and law enforcement personnel in prayer...or give by going to www.samaritanspurse.org/donate.

Home Of Refuge

Saving the Lost...Loving the Unlovable

Thank you for praying for and supporting Home of Refuge! Many of those who have become residents at Home of Refuge came from unbelievably squalor conditions. As in the picture on the right, their home hardly has what you would call a roof over their heads. Dog houses in the United States are much better than what people have to live in here in Peru...and they have no hope of improving their lives.

Thank you for helping us to provide beds, dressers, and blankets to furnish the bedrooms for our residents. Additionally, we need furniture for the nurse's station. Whatever you give to help supply these needs goes FAR beyond beds, furniture, and blankets. It goes toward a hope-filled future and then toward an eternal account in your name. It goes toward feeding JESUS, clothing JESUS, and caring for JESUS till the day your eyes see Him face to face and your ears ring with His words: Then the righteous will ask Him, **"LORD, when did we see You hungry and feed You, or thirsty and give You something to drink?"** The King will reply, **"Truly I tell you, whatever you did for one of the least of these brothers and sisters of Mine, you did for Me."**
