

## Be On Your Guard...

The devil is NOT omnipresent. He cannot be everywhere at the same time. He tries to intimidate you, but don't fall for his lies. Remember, he is a liar and the father of lies! (John 8:44)

**Be On Your Guard...**when you become physically exhausted! Even Elijah became depressed and willing to die after the great victory at Mount Carmel against the prophets of Baal and Asherah.

(I Kings 18; Isaiah 40:31 - **"Those who wait on the LORD shall renew their strength!"**)

- **Be On Your Guard...**when you face major decisions in your life! This may be in your career or even a relocation to another town or state; that is why patience is so beneficial. **"The LORD is good to those who wait for Him!"** (Lamentations 3:25; Mark 13:13 - **"He who endures to the end shall be saved!"**)
- **Be On Your Guard...**when a specific miracle is coming to you from the Hand of GOD! Daniel waited 21 days for his prayer to be answered. When the angel of the LORD finally appeared, he explained the warfare that necessitated the assistance of Michael, the archangel. (Daniel 10:13) So you see, your battle is really a signal that something is en route to you from GOD - TODAY! **"Cast not away your confidence for it has a great reward!"**
- **Be On Your Guard...**when you launch a new ministry for GOD! JESUS faced His wilderness experience just prior to the beginning of His healing ministry (Matthew 4), and He said that you, too, would go through tribulation, but He added, **"...be of good cheer; I have overcome the world!"** (John 16:33)
- **Be On Your Guard...**when you are next in line for a promotion from GOD! When Joseph announced the dream that GOD had given him, the wrath of all his brothers came down on him. Pace yourself, don't cast your pearls before swine and Be On Your Guard! (article by Mike Murdock)

## YOUR ENEMY - FEAR!

Autumn photo by Matt Wyatt

Article by Barbara Carmack

Some of you, when you read this title, will probably say, "I don't have fear", but let me ask you, "Are you apprehensive about tomorrow, or a deadline that you can't get out of your mind?" Do you sense the worst in a situation instead of the best? Fear arises when you imagine that everything depends on you!! So many of the kings in the Old Testament realized defeat once they gave in to fear. There was one king who did not give in to fear, and he experienced a great victory...his name was King Jehoshaphat, and you can find his story in II Chronicles 20:14-24. This is a story of bravery in the midst of invasion by both Moab and Ammon, dreaded enemies of Judah. A Levite who was a descendant of Asaph said, **"Listen, all you people of Judah and Jerusalem! Listen, King Jehoshaphat! This is what the LORD says: Do not be afraid (Do Not Fear); don't be discouraged by this mighty army, for the battle is not yours, but GOD's. Tomorrow, march out against them. You will find them coming up through the ascent of Ziz at the end of the valley that opens into the wilderness, but you will not even need to fight. Take your positions; then stand still and watch the LORD's victory! He is with you, O People of Judah and Jerusalem. Do not be discouraged or afraid; go out against them tomorrow, for the LORD is with you!"**

Then King Jehoshaphat bowed with his face to the ground, and all the people of Judah and Jerusalem did the same, worshiping the LORD. And the Levites stood to praise the LORD, the GOD of Israel, with a very loud shout! Early the next morning the army of Judah went out into the wilderness of Tekoa. On the way King Jehoshaphat stopped and said, **"Listen to me, all you people of Judah and Jerusalem! Believe in the LORD your GOD, and you will be able to stand firm. Believe in His prophets, and you will succeed!"** After consulting with the people, the king appointed singers to walk ahead of the army, singing to the LORD and praising Him for His Holy Splendor. They sang: **"Give thanks to the LORD; His faithful Love endures forever!"** (Do you believe GOD's Love endures forever?)

At the very moment they began to sing and give praise, the LORD caused the armies of Ammon, Moab, and Mount Seir to start fighting among themselves. They turned against each other and everyone of them was killed! So when the army of Judah arrived at the lookout point in the wilderness, all they saw were dead bodies lying on the ground as far as they could see. Not a single one of the enemy had escaped!

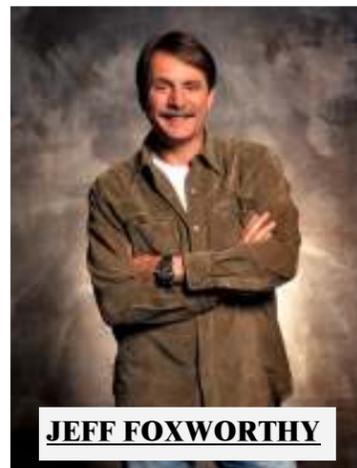

So what did you learn from this story? Fear is your enemy; in those moments of unexpected events or emergencies in your life, begin to praise GOD and give Him the Glory for the Victory that you will see with your eyes. Never expect the worst - always the best with GOD! Speak the Word and victory will come. The devil doesn't steal health or finances...he steals the Word and then you have nothing to stand on and Believe in.

Remember, **"GOD has not given you a spirit of fear (fear does not come from GOD!), but of Power and Love and a Sound Mind!"** (II Timothy 1:7)

**Give thanks to the LORD-He will bring the victory!**

If a Republican doesn't like guns, he doesn't buy one; if a Democrat doesn't like guns, he wants ALL guns outlawed.  
 If a Republican is a vegetarian, he doesn't eat meat; if a Democrat is a vegetarian, he wants ALL meat products banned for everyone.  
 If a Republican is homosexual, he quietly leads his life; if a Democrat is homosexual, he demands legislated respect...and change across the board.  
 If a Republican is down-and-out, he thinks about how to better his situation; if a Democrat is down-and-out he wonders who is going to take care of him.  
 If a Republican doesn't like a talk show host, he switches channels; a Democrat demands that those channels they don't like be shut down.  
 If a Republican is a non-believer, he doesn't go to church; a Democrat non-believer wants any mention of GOD and religion silenced.  
 If a Republican decides he needs health care, he goes about shopping for it, or may choose a job that provides it; if a Democrat decides he needs health care, he demands that the rest of us pay for his.  
 If a Republican is unhappy with an election, he grumbles and goes to work the next day; if a Democrat is unhappy with an election, he burns down a Starbucks, throws rocks at cops and takes two-weeks off for therapy.

**HALLOWEEN** "the devil's holiday"  "day of the dead" 

Three-hundred years before JESUS was born, a civilization of people called the Celts, lived throughout the British Isles, Scandinavia and Western Europe, living around much superstition, and controlled by a secret society of pagan priests called Druids. The Druids were satanic priests who worshipped and served the demonic god of death, Samhain. These priests controlled peoples' lives by fear and threats of death. Each year on October 31st, the Druids celebrated the eve of the Celtic's New Year in honor of their pagan god, Samhain. They believed the spirits of those who had died in the preceding year roamed the earth on Samhain Eve. The "Festival of Samhain," more accurately called "The Festival of Death," was officially known and is still recognized by all satanists, occultists and devil worshippers, as the "Eve of the New Year" for witchcraft. When the Romans conquered the Celts, some of the Celtic traditions were absorbed into the Catholic religion, including "The Festival of the Dead." In 835 A.D. Pope Gregory IV replaced Samhain with All Saints' Day and then Allhallows Eve and later it became Halloween. Catholics around the world still celebrate All Saints' Day in observance of the dead.

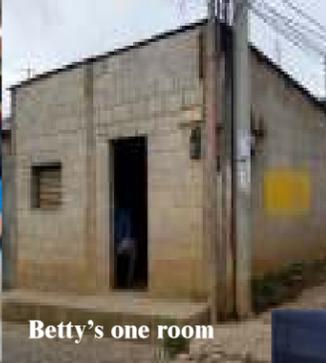

"Trick or Treat" also came from the Druid priests. During this evil holiday, the Druid priests would go from house to house demanding food for their own consumption and as offerings to their god, "Lord Samhain". If the village people would not give them the foods demanded, they would speak a demonic curse on the home and history claims that someone in the family would die within the year = "**trick or treat**".

The Druids carried with them large turnips, hollowed out, with candles inside and carved with faces on the front to represent the demonic spirits that would give them power and knowledge. The familiar spirit, "Jock", would inhabit these turnips and assist them in carrying out the spells spoken over the homes and lives of those refusing the Druids' demands. When this practice came to America in the 18th & 19th centuries, they used a vegetable native to America that would make a great substitute...the pumpkin! And instead of the name Jock, the more-familiar name "Jack" was given to the spirit of the pumpkin and therefore, "**Jack-O-lantern**". As you can clearly see, there is nothing Christian about Halloween. It is today what it has always been - a day dedicated to the devil! But do not fear him...for **"Greater is He Who is in you than he who is in the world!"** (I John 4:4)

 Saving the Lost...Loving the Unlovable

Some of you will be thrilled to see Tony with Will again; your financial help has provided a college education for Will. When Tony and Rosa found him, they realized that he had not only a willingness to succeed in life, but the gifting to make it happen. Your giving has allowed this young man to excel in ways that he never dreamed! He will graduate next year....Thank you!! Below you see the beautiful beds in Santa Maria Orphanage with bedspreads and sheets, provided by your generous giving to Home of Refuge. Tony and Rosa are able to keep the pantry stocked and give for the electricity in the orphanage, in part, because of the Pow'r Partners of Call To Freedom.

Rosa and Tony have plans to return to Lima and Cusco this fall so they can visit the orphanage, provide them with the monthly support, make Will's college payment, and bring the Word of GOD to Veronica Mountain. Their ministry is rich and expanding, and they thank you for making this possible.

Tony: "It is an exciting season ahead...with fall and the holidays, being with friends and family. As we enter this final quarter of 2017, I exhort you to keep LOVE as the priority and the motive in all that you do. Remember that GOD's very Power resides within you - His Holy Spirit of LOVE! Allow HIS LOVE to touch you, to change you, to compel you, and to flow out of you to others."

Love, Tony
